- Multi-color rainbow, twinkle or sparkle
- Easy Installation – All mounting hardware comes in the box
- Linkable – Combine additional sets for up to 150ft. of light
- Weather Proof – Features a flexible and durable design that is ETL-rated for any indoor or outdoor environment

Installation Recommendations

- Before installing, make sure that the surface can support the rope light and that the power cord will be in range of an outlet.
- After marking the location for each mounting clip, pilot holes can be drilled using a 1/16in. drill bit.
- Mounting clips should be secured by tightening each included mounting screw using a Philips screwdriver.
- After rope light is affixed to each clip insert the power plug into outlet.
