Focused Directional Lighting

JascoPro Series LEDs are optimally configured to provide a bright, evenly distributed glow

65W Bulb Equivalent

Light output is equivalent to a standard 65W bulb while only using 9W of electricity

SmartCycle Lighting

Programmable daily settings automatically adjust brightness and white temperature to support a proper circadian rhythm

Emergency Flash

Serves as a beacon to improve response time when you need help. When activated, the connected light blinks in a distinct pattern to provide visual guidance to first responders
