

# JascoPro Wi-Fi RGBWW Smart Recessed Wafer Light, 4in.

# JASCO<sup>PRO</sup>

## Specifications

**Bulb:** Wafer light **Lumens:** 700

**Voltage:** 120 **Hertz:** 60 **CCT:** 2000K-6500K

**CRI:** 92 **R9:** 50 **Wattage:** 9 **Efficacy (lm/W):** 77.7

**Lifetime:** 50,000 hours

**Signal frequency:** 2.4GHz

**Warranty:** 10-year limited, nontransferable product warranty

## Design Features

- Installs directly in sheetrock
- Matter certified – seamless setup and control
- Free JascoPro app – no hub required
- Effortless Wi-Fi setup and control
- Mobile or voice control – works with Amazon Alexa and Google Assistant
- Color-changing effects
- Tunable white – 2000K-6500K
- Full-range dimming
- SmartCycle lighting – automatically adjust white temperatures and brightness based on personal settings to support proper circadian rhythm
- Emergency Flash – flashing lights indicate location to first responders
- MusicSync – customize how lights and colors react in real time to the audio of tunes, games, movies or shows
- Schedules and automations
- Focused directional light source with no hot spots
- UL certified

## Additional Installation Information

- Not to be used with a dimming circuit
- Suitable for damp locations, but not for use where exposed directly to weather or water
- Not for emergency lighting

Lighting Facts These estimates based on 3 hrs/day and 11¢/kWh. Your cost depends on your use and rates

**Brightness**  
**700**  
lumens

**Energy Cost**  
**\$1.08**  
per year

**Life**  
**46**  
years

**Energy Used**  
**9W**

**Light Appearance** Warm  Cool  
**CRI = 92** 2000K 6500K

### Focused Directional Lighting

JascoPro LEDs are optimally configured to provide a bright, evenly distributed glow

### 60W Bulb Equivalent

Light output is equivalent to a standard 60W bulb while only using 9W of electricity

### SmartCycle Lighting

Programmable daily settings automatically adjust brightness and white temperature to support a proper circadian rhythm

### Emergency Flash

Serves as a beacon to improve response time when you need help. When activated, the connected light blinks in a distinct pattern to provide visual guidance to first responders

Download the free JascoPro app to control your devices from anywhere

**2.4GHz**

Wi-Fi connection required

**Longer range, better coverage**

Dual- and tri-band router compatible
