Omnidirectional Light

JascoPro LEDs are optimally configured to provide a bright, evenly distributed glow

60W Bulb Equivalent

Light output is equivalent to a standard 60W bulb while only using 5W of electricity

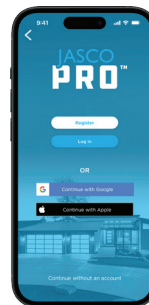

SmartCycle Lighting

Programmable daily settings automatically adjust brightness and white temperature to support a proper circadian rhythm

Emergency Flash

Serves as a beacon to improve response time when you need help. When activated, the connected light blinks in a distinct pattern to provide visual guidance to first responders
