EMERGENCY FLASH

Emergencies don't wait — and neither should your lights. With JascoPro's Emergency Flash feature, your under-eave permanent lighting transforms instantly into a high-visibility alert system designed to get attention when it matters most.

INTEGRATED SAFETY SIMPLE CONTROL

- Controlled via JascoPro app
- Compatible with existing JascoPro Under-Eave Lights
- No additional hardware required
- Ideal for medical emergencies, fire or other urgent events

BE SEEN WHEN IT MATTERS MOST. SCAN TO START TODAY!

Protect your family. Assist responders. Add peace of mind.
